

PROVIDE CARDIOPULMONARY RESUSCITATION (CPR)

HLTAID009

The CPR course provides students with the skills and knowledge required to perform cardiopulmonary resuscitation (CPR) in line with the Australian Resuscitation Council (ARC) Guidelines.

This course applies to all workers who may be required to provide CPR in a range of situations, including community and workplace setting.

Our CPR course will provide you with the knowledge and skills to manage emergency first aid situations, including respond to an emergency situation, perform CPR procedures, communicate details of the incident and review the incident.
